Group Art Unit: Unknown

For: METHOD, DEVICE AND SYSTEM FOR DETERMINING A SYSTEM PARAMETER
OF A LASER BEAM TREATMENT SYSTEM

RENEWED PETITION UNDER 37 CFR 1.182 and 1.137(b)

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Decision on Petition Under 37 CFR 1.182 and 1.137(b) mailed on March 16, 2011, Applicants request reconsideration and file the renewed petitions as follows:

37 CFR 1.182

It has been brought to the Applicant's attention that the priority application indicated the incorrect international application number on the PTO 1390 Transmittal Letter. The correct priority application number is as follows:

PCT/EP2004/007733 filed July 13, 2004

Applicants request the change be made accordingly.

The previous Petition filed on October 12, 2010, under 37 CFR § 1.182 contained a typographical error in the priority application number. A payment in the amount of \$400.00 to cover this petition fee is being paid by credit card. The Commissioner is hereby authorized to

charge any underpayment or additionally required fees, and credit any overpayment, to Deposit Account No. 16-0631.

37 CFR 1.137(b)

The above-identified patent application became abandoned for failure to file a timely and proper reply to a notice or action by the U.S. Patent and Trademark Office. Applicants hereby request revival of the present application for unintentional abandonment. A renewed petition to correct the international application number from PCT/US2004/007733 to PCT/EP2004/007733 is contained herewith. Since the application was filed after June 8, 1995, a Terminal Disclaimer is not required.

STATEMENT

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

In that this is a request for reconsideration it is not believed that an additional 37 CFR 1.17(m) petition fee is required. To the extent it is deemed to be required, the Commissioner is hereby authorized to charge said fee, any other required fee, any underpayment, and to credit any overpayment, to Deposit Account No. 16-0631.

Respectfully submitted,

Douglas J. Christensen
Registration No. 35480
